Your Business and Wells Fargo

Cash flow is one of the most critical components of success for a small or mid-sized business. Achieving a positive cash flow does not come by chance. Learn more about managing cash flow by visiting wellsfargoworks.com.

IMPORTANT ACCOUNT INFORMATION

Periodically, we may evaluate the timing of statements, monthly service fee assessment and interest payments to your accounts. We may adjust the timing in order to align your statement, monthly service fee assessment (if any) and interest payment dates with one another. You may receive a partial statement that reflects activity and interest payments from the last statement date to the date of the change. No monthly service fees will be assessed during a partial statement period and there will be no impact to your interest rate or compounding frequency.

The Ending Daily Balance does not reflect any pending withdrawals or holds on deposited funds that may have been outstanding on your account when your transactions posted. If you had insufficient available funds when a transaction posted, fees may have been assessed.

* Indicates transaction counts toward the Regulation D and Wells Fargo savings withdrawal and transfer limit. Except outgoing wire transfers, there is no limit on the number of withdrawals or transfers made in person at an ATM or Wells Fargo location or on any types of deposits. For more information, please refer to your Account Agreement.

IMPORTANT ACCOUNT INFORMATION

Overdraft Fee Waiver Clarification: We will waive any overdraft fees if both your ending daily account balance (posted balance) and your available balance (which includes pending transactions) are overdrawn by \$5 or less and there are no items returned for insufficient funds at the end of our nightly processing. This fee waiver is associated with the total overdrawn balance, not the dollar size of the transaction(s) contributing to the overdrawn balance.
