IMPORTANT ACCOUNT INFORMATION

The section titled "Rights and Responsibilities" - "Are we allowed to close your account" and "When are you allowed to close your account" in your Account Agreement have been deleted and replaced by the following effective August 5, 2016.

When can your account be closed?

We can close your account at any time. If the account is closed, we may send the remaining balance on deposit in your account by traditional mail or credit it to another account you maintain with us.

We may, but are not required to allow you to leave on deposit sufficient funds to cover outstanding items to be paid from your account.

- If we do allow funds to remain on deposit, the terms and conditions of the Agreement will continue to apply until we make a final disbursement from your account.
- If we do not allow you to keep funds on deposit, we will not be liable for any loss or damage that may result from dishonoring any of your items that are presented or otherwise received after your account is closed.
- You can close your account at any time if the account is in good standing (e.g., does not have a negative balance or any restrictions on the account).
- If your account is an interest-earning account, it will cease to earn interest from the date you request it be closed.

- If your account has Overdraft Protection and/or Debit Card Overdraft Service, these services will be removed when you request to close your account.

- If your account balance does not reach zero within 30 days from the date of your request to close your account, we will charge you the applicable monthly service fee if you do not meet the requirements to avoid the monthly service fee. If the monthly service fee is greater than your account balance, only the amount equal to your account balance will be charged and your account will be closed.

- After 30 days, if your account balance does not reach zero, your account will be returned to active status and subject to all applicable fees. If your account is a variable interest earning account, the interest rates disclosed in the rate sheet in effect on the date your account is returned to active status will apply. We may change the interest rate for variable rate accounts at any time. You will need to reestablish Overdraft Protection and/or Debit Card Overdraft Service if desired by contacting your banker or calling the number on your statement.
