## JOIN US

We cordially invite your student to have lunch with us.

In Denver Public Schools, we recognize that student health has a direct impact on academic achievement. We believe healthy kids make better students, and better students make healthier communities. That is why we are committed to providing our students with delicious, nutritious and convenient meal options every day.

Our students have daily access to fruit and vegetable bars, vegetarian options and locally sourced ingredients. Our lunch program is available to all of students, regardless of income.

Research shows, students who eat breakfast at the start of their school day have higher math and reading scores, they focus and behave better and are less likely to be absent. We are proud to serve breakfast, at no charge, to all students in Denver Public Schools.

Give us a try today. We would be thrilled to feed your child.

For more information, please visit: foodservices.dpsk12.org/

### CHARGE POLICY UPDATE

We are pleased to announce that beginning this year, we will feed every student, every day. That means we will offer every child a complete lunch meal, even if they do not have the means to pay. However, families will still be expected to repay any lunch debt their child accrues. Rules and guidelines for the school lunch program have not changed as a result of this new and exciting decision.

We highly encourage <u>all</u> families to apply for the free- and reduced- lunch assistance program, regardless if you qualify.

To apply, visit: http://foodservices.dpsk12.org/

# FEATURED ENTRÉE OF THE MONTH Chicken Gumbo with Brown Rice

### YOU SPOKE. WE LISTENED.

This year, we've added over 15 new hot lunch entrées to the school lunch menu, including chicken gumbo, tamales, green chili lasagna, carnitas tacos, lo mein, and a turkey bowl burrito, just to name a few.

We received feedback from DPS families that they wanted more vegetarian options, as well. New to the menu, we now offer a salsa black bean veggie burger, grilled Mediterranean veggie sandwich and a delicious chickpea spinach salad.

Thank you for your feedback. We will continue to refine our menu and add new items every semester.
