### Policies & Logistics

- After school enrichment and after school tutoring takes place from 3:45 PM to 4:45 PM, Monday, Wednesday and Thursday. There are no after school programs on Tuesdays and Fridays.
- Students that participate in after school programs are provided with an after school snack.
- On time pick-up or clear instructions for students to go to Leading Edge aftercare are required for a student to continue their participation in after school enrichment.
- While the programs may vary from sports to academics as well as the arts; approaches to student behavior and expected outcomes for social emotional learning will remain consistent with school day policies. It is possible for a student to be removed from an after school program due to behavior that impacts the welfare of other students, staff, members of the school community, or the care of school facilities and equipment.
