

SOAR 2nd Graders Wish for Wheels

On Thursday, January 29, 2026, our SOAR 2nd graders experienced a truly unforgettable moment. Wish for Wheels came to our school to surprise every student with a brand-new bicycle. The excitement in the air was undeniable – our students' faces lit up with joy as they received their bikes, learned safety tips, and proudly rode around the school grounds.

A special thank-you goes to our Social Worker, Megan Beltran, who partnered with Wish for Wheels to make this event possible. Her coordination and dedication ensured that every detail was in place for our students to enjoy this meaningful experience.

We are incredibly grateful for this partnership, which not only promotes physical activity, but also builds confidence, independence, and community connection.
