PROTOCOLS

Policies & Logistics

- After school enrichment takes place from 2:50 PM to 3:45 PM on Mondays and Wednesdays.
- Students that participate in after school enrichment programs are provided with an after school snack.
- On time pick-up or clear instructions for students to go to Innovation Learning aftercare are required for a student to continue their participation in after school enrichment.
- While the programs may vary from sports to academics as well as the arts; approaches to student behavior and expected outcomes for social emotional learning will remain consistent with school day policies. It is possible for a student to be removed from an after school program due to behavior that impacts the welfare of other students, staff, members of the school community, or the care of school facilities and equipment.
